

Ambassador Committee Meeting Minutes  
August 20, 2014

Members present: Tom Bennie, Wayne and Bev Meddaugh, Billie Orr, Geoff Lagary, Ski Cahall, Dicy Apperson, Carrie and Fred Widmer, Jeanice and Les Monastesse, Shirl and Phil Coningford, Mishael Wells, Greg Paydock.

1. Greg discussed BOG report and Palmer Advantage courses: Skyline in Tucson currently open, Reflection Bay in Henderson and Talking Stick in Phoenix to open/join in October, 54 American Golf courses in California to be part of the program after the first of the year, eventually a total of 92 American Golf courses throughout the country.
2. Mishael reported new member numbers are down, but attrition has been down as well. There is one new invitation out when last year at this time there were 15, but she explained current members are doing a great job of brining people in directly and sign ups prior to invitations even being sent.
3. Mishael has been attending Women in Business meetings and meeting with Realtors to network, as well as contacting current members to check in with them.
4. Greg reported the Club is meeting financial goals, many social events have been successful and many more planned. He explained the Club's intent is to have two weddings a month, but not scheduled back to back (this was a committee's recommendation 2 years ago). If the Grille was closed for the events, there have been buffets by the pool, typically consisting of similar food as prepared for the event to limit expense and labor. The chair rail will be completed in the ballroom and Grille soon.
5. Mishael suggested the Ambassadors ask their new members about any special dietaryneeds when setting up welcome dinners so the Chef can be advised.

Next meeting Tuesday, September 16 at 5:30

Respectfully submitted,  
Ski Cahall
