Formal Approval of Minutes from Jan. 15, 2013 meeting: Minutes Approved

Chairman Remarks: Welcome to Brian as the Golf Course Superintendant. Complimented him on finding the resources to complete the bunker work on #4.

General Manager Report: Out of Town. Beverage cart being placed on #10 is being seen as a positive by the members, and management, it is making money.

Director of Golf Report: Out of Town. Disabled American Veterans has a program of veterans mentoring disabled veterans. There will be a more information about the program coming from John.

Golf Course Superintendant Report: Airification of the fairways is complete. Also the tee boxes and driving range were done at the same time. Greens will be done April 7 and 8. When the greens are punched they will be over seeding with an aggressive strain of bent grass. This is to help push out the Poa annua grass. They will also be doing several spray applications to the poa. Three to four year plan to eliminate the poa from the greens.

University of Arizona will be here in May to do a test of a new spray to eliminate the poa. Only on the nursery green and some fairway areas. We are back to cutting the greens 4 times a week unless we are spraying. New employees being added every week to get to full manpower levels.

Old Business: Mud hole by #14 green has been repaired. Approaches to #6 and #7 will be done in the next week or so.

New Business: For discussion at the BOG meeting. Parking lot, employee parking, resurfacing / striping. Bunker rebuild budget for 2013.
