

Men's Golf Association Mission Statement

The mission of the Men's Golf Association (MGA) of The Club at Prescott Lakes is to conduct golf and golf-related social activities for the benefit, pleasure, education and recreation of all MGA members. MGA membership is open to all male golf members of The Club at Prescott Lakes who are in good standing and over the age of eighteen (18). We have two levels of membership: Regular and associate.

Regular members are entitled to attend MGA meetings and social events, vote on issues presented to the membership and to be enrolled in the Arizona Golf Association handicap system. MGA members with established handicaps are entitled to participate in Wednesday Men's Day play, MGA-sponsored tournaments, and other MGA-sponsored golf events at a reduced entry fee. Currently, dues are \$50.00 per year.

Associate members are members only for the purpose of maintaining a USGA handicap through the Arizona Golf Association. Associate members may not attend MGA meetings and may not vote on MGA issues. They may not play in regular MGA golf events or tournaments or attend social activities without paying additional fees. All associate members are required to pay any required Arizona Golf Association fees, plus any administrative fees required by the MGA. All associate members must comply with the regulations set forth in the USGA Handicap System Manual and all handicap indexes shall be reviewed by the MGA Handicap Committee and the Handicap Chairman. Dues for associate members are \$10 per year.

The association holds two general membership meetings each year, in June and December. The MGA Board of Directors, elected by the membership, meets the first Thursday of every month at 10:00 AM in the clubhouse ballroom. All members are invited to attend.

Contact the MGA Board of Directors at plmga@cableone.net for additional information.
